

Welcome to my Resource Page!

On these pages, I have listed links to professional resources that I feel are extremely valuable. The professionals, products, and services listed below have proven to me that they deliver the "Wow Factor".

Whether you use me as your real estate broker or not, I highly encourage you to consider these professionals as trusted resources who will make you look good when referring them, and exceed your expectations when using them.

Feel free to mention my name when making contact with any of these resources.

www.MagicWandCoach.com

Can I be your “go to” guy?

Need a vendor... like a siding contractor, electrician, home inspector, moving company, etc? Give me a call or e-mail me... I have a list of trusted vendors that I am happy to share with you! It is always better to be referred to someone, than taking a chance with someone who hasn't been referred. “A referral is when you guide someone you care about, to someone you trust!”
